

TREDJEPARTSVILKÅR

1 GENERELT

- 1.1 Disse tredjepartsvilkårene ("**Tredjepartsvilkår**") supplerer Netsecuritys **Generelle Avtalevilkår** og **Tjenestebeskrivelsen**, og gjelder for tredjeparts programvare, plattformer, lisenser og tjenester som inngår i **Leveransen**. Uttrykk med stor forbokstav har samme betydning som i Generelle Avtalevilkår.
- 1.2 I samsvar med Generelle Avtalevilkår punkt 4.1 gjør Netsecurity gjeldende Tredjepartsvilkår tilgjengelig for **Kunden** ved lenkene i punkt 2. Ved å inngå kundeforhold med Netsecurity aksepterer Kunden de Tredjepartsvilkår som gjelder for Leveransen.
- 1.3 **Virkeområde.** For den enkelte Kunde gjelder kun Tredjepartsvilkårene for de plattformene og leverandørene som fremgår av Tilbudet og Tjenestebeskrivelsen.
- 1.4 Ved motstrid går den enkelte tredjeparts vilkår foran Generelle Avtalevilkår for den aktuelle programvaren eller tjenesten, jf. Generelle Avtalevilkår punkt 4.1.
- 1.5 Kunden er ansvarlig for å gjøre seg kjent med og overholde Tredjepartsvilkårene. Vilkårene gjelder i sin til enhver tid gjeldende versjon; dersom tredjeparten endrer sine vilkår, gjelder de oppdaterte versjonene automatisk, jf. Generelle Avtalevilkår punkt 4.2.
- 1.6 **Språk.** Disse Tredjepartsvilkårene foreligger på norsk og engelsk. Den engelske versjonen er en oversettelse levert for enkelhets skyld. Ved uoverensstemmelse eller tolkningstvil mellom de to versjonene har den norske teksten forrang, jf. Generelle Avtalevilkår punkt 16.3.

THIRD-PARTY TERMS

1 GENERAL

- 1.1 These third-party terms ("**Third-Party Terms**") supplement Netsecurity's **General Terms and Conditions** and the **Service Description**, and apply to third-party software, platforms, licences and services included in the **Delivery**. Capitalised terms have the meaning given in the General Terms and Conditions.
- 1.2 In accordance with clause 4.1 of the General Terms and Conditions, Netsecurity makes the applicable Third-Party Terms available to the **Customer** via the links in clause 2. By entering into a customer relationship with Netsecurity, the Customer accepts the Third-Party Terms applicable to the Delivery.
- 1.3 **Scope.** For each Customer, only the Third-Party Terms for the platforms and vendors set out in the Offer and the Service Description apply.
- 1.4 In the event of conflict, the relevant third party's terms take precedence over the General Terms and Conditions for the software or service in question, cf. clause 4.1 of the General Terms and Conditions.
- 1.5 The Customer is responsible for familiarising itself with and complying with the Third-Party Terms. The terms apply in their version in force from time to time; if the third party amends its terms, the updated versions apply automatically, cf. clause 4.2 of the General Terms and Conditions.
- 1.6 **Language.** These Third-Party Terms are available in Norwegian and English. The English version is a translation provided for convenience only. In the event of any discrepancy or dispute regarding interpretation between the two versions, the Norwegian text shall prevail, cf. clause 16.3 of the General Terms and Conditions.
